Volume 3, No. 1

First Hurdle Cleared!

You are now the owner of the property at 15600 Leslie Street in Aurora.

God has truly blessed us ... again! The words of Proverbs 16 are very fitting for us to remember as we congratulate one another with this wonderful acquisition and as we move forward.

“The plans of the mind belong to man, but the answer of the tongue is from the Lord. All the ways of a man are pure in his own eyes, but the Lord weighs the spirit. Commit your work to the Lord, and your plans will be established.” Verses 1-3

Let us take these words to heart as we pursue the next steps.

Next Steps

The planning process begins in earnest. This will be both an exciting and challenging time. The following are some items that require immediate attention.

- **Architect:** A May meeting is scheduled with Mr. Roland Jonker (to initiate the design) with a view to developing a concept drawing of the facility.
- **Secondary Plan:** The next step for the quadrant of land in which our property is located is the development of a secondary plan by the Town of Aurora. A secondary plan is defined as a plan for the development of specific areas within the Town.
- **Research and more research:** You've asked us many questions about the future senior homes and we have numerous questions too. We're consulting with experts in all phases of this project. We are looking forward to designing and constructing a quality facility with relevant amenities.

What's New:

- ✓ **A Hearty Welcome To Our New Members:** we are glad you joined us and look forward to your active participation. We've increased our membership in the last few months; we now have 202 members.
- ✓ You've heard about our new name: “**The Meadows of Aurora**”. We were pleased to receive such a large number of entries. Special thanks goes to Mrs.

Susan Verkaik and Mr. Marten Mol for entering the winning selection. A Life Time Membership was not awarded considering that Susan is the wife of Jim Verkaik, our Vice President, and Marten is on the board as our fundraising co-chair.

- ✓ **Internal Audit Committee:** We've appointed an internal audit committee to audit the books at the end of each calendar year. Two members, John Kalsbeek and Marten Mol, were named to this committee.
- ✓ **Newsletter:** the newsletter will be featured on our website at www.themeadowsofaurora.com.
Be sure to send it to your friends and family.
- ✓ **Ongoing Investment Opportunities:** Many members invested their monies and many more indicated that they would have liked to invest. If you are interested in investing, please consult Simon Frankruyter, President at (905) 640-4245 or Marten A. Mol at (416) 224-5211 or 1-800-667-2525 to explore ongoing investment opportunities.
