OUR VISION

Our vision is to enable 55+ Christian adults to **age in place**. We believe our seniors prefer to remain in their own community near family, friends, church and health-care providers.

We provide a quality-oriented facility, while striving to meet the needs of this diverse group. We are not just constructing a building of bricks and mortar; we aim to promote a caring Christian community and cultivate a supportive living environment.

All members are required to respect the following Christian principles

- *The Holy Bible is the inspired, written Word of God and our final authority.*
- *There is only one Creator God, existent in three Persons: The Father, the Son and the Holy Spirit.*
- *Jesus Christ came into this world to pay for our sins to reconcile us with God, the Father.*
- *Jesus Christ is Lord over all life and guides us through the Holy Spirit.*
- *We value and respect each other.*
